The screenshot shows the homepage of the West Bengal Single Window Clearance System. At the top, there is a navigation bar with accessibility options (High Contrast, Reset, Screen Reader, Font Size) and user links (Log In, Register). The main header features the system's logo and the text "Welcome to West Bengal Right of Way - Single Window Clearance System". Below this, a section titled "West Bengal Single Window Clearance System" provides a brief overview of the system's purpose and the legal framework it operates under. A "Telecom Acts" link is visible on the right side of the page.

West Bengal Single Window Clearance System

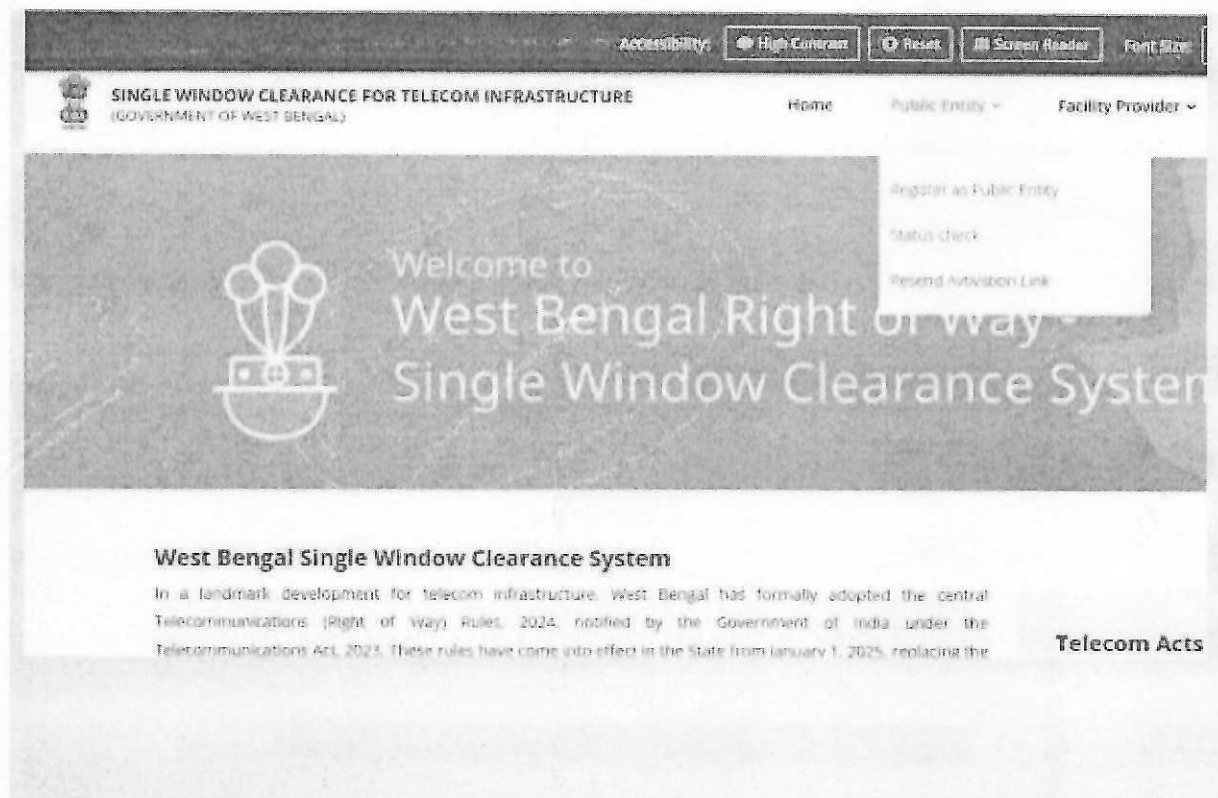

In a landmark development for telecom infrastructure, West Bengal has formally adopted the central Telecommunications (Right of Way) Rules, 2024, notified by the Government of India, under the Telecommunications Act, 2023. These rules have come into effect in the State from January 1, 2025, replacing the earlier West Bengal Telecom Infrastructure Guidelines, 2023.
